

DIABETES BASICS CLASSES

This class is for people with Diabetes and Prediabetes. It is a series of 6 classes on basic diabetes information to give patients the knowledge to understand and manage their diabetes every day.

Classes will be held at the *Stockbridge-Munsee Elderly Center*. They will be on Wednesdays at 1:15-3:15PM, every three weeks.

If interested please *RSVP* to Whitney Schreiber, RN at (715)793-3008. There is some pre-course paperwork that needs to be completed.
