The Public Safety Department will contact you once this paperwork is processed to pick up your Pet's License/Tag.

Owners shall pay the license fee (\$2.00) and provide evidence that the dog/cat is currently immunized against rabies in order to obtain a license tag from the Public Safety Department (rabies vaccination certificate). License fee can be paid at the Stockbridge Munsee Administration Building at the accounts receivable office or online on the Stockbridge-Munsee Conservation webpage (www.mohican.com/?url=conservation). If paying online, you will still need to provide proof of rabies vaccination (paperwork from vet) when picking-up license.
