

COVID-19 VACCINE INFORMATION

There has been some concern about being vaccinated. The Tribe supports vaccination as a way to protect the community and return to normal life. As part of our vaccination efforts the Tribe will be collecting information to determine how many Tribal Members, their household members, and employees are willing to receive the vaccine. All Tribal Members and Employees are encouraged to complete a COVID-19 pre-registration form for their household.

Once completed you will be in a database to be called when vaccines are available.

Please complete a Pre-registration Form at:

www.mohican.com

If you cannot access this online

please call: 715-793-4111

We have staff ready to help you complete the pre-registration form.

Monday-Thursday (8:00 am – 4:00 pm)

For all COVID-19 related updates please see visit the Tribal Web page: www.mohican.com
