Tips for Shopping at a Farmers Market on a Budget

With farmers market season getting into the full swing it gives us a place to buy local food from local farmers in a fun atmosphere. Farmers markets can offer fruits and vegetables at comparable prices to the grocery store and may even be a cheaper option. Here are some tips to help you shop smart at your local farmers market:

1. Make a list but be flexible-
   Be prepared with a list of the produce you need but if a cheaper fruit or vegetable is available and is comparable then be willing to make the substitution.

2. Look around before buying-
   Prices and quality may change from farmers to farmer, plus this allows you to see the whole market and get some extra steps into your day.

3. Be patient-
   Wait for a larger supply of fruits or vegetables because prices will often be lower when there is an abundance of the same fruits and vegetables at multiple stands.

4. Don’t overbuy and consider shelf life-
   Planning meals ahead will help you buy the right amount to avoid wastage. This will also help you stay in your budget.

5. Buy in bulk...if you will use it-
   Buying larger amounts can often save money but only if you will use it before it goes bad. For example, if you are planning on processing the food into canned or frozen produce then buy in bulk and process it all at once.

6. Avoid specialty items-
   These items are usually more expensive and may be things you really don’t need.

7. Ask the farmer questions-
   Don’t’ be afraid to chat with the farmer, they know their stuff and can give you advice on how to cook and store the foods they sell.

8. Use your FMNP dollars-
   Remember to use your FMNP checks if you have them, many markets accept them and they are a great summer resource. Check with the Elderly Center to see if they are available this year.

Medicare is health insurance for people age 65 or older and people under age 65 who have been determined disabled by the Social Security Administration. Coverage options vary in cost depending on the plan, coverage, and the services used.

### Original Medicare Plan

</thead>
<tbody>
<tr>
<td>Has a $1,404 deductible per benefit period</td>
<td>Basically covers 80% of costs after deductible of $203/yr</td>
</tr>
<tr>
<td>Cost: free for most people. (Otherwise, $259/mo if 30-39 qtrs of work, $471/mo if under 30 qtrs of work)</td>
<td>Cost: $148.50/mo taken out of Social Security benefit.</td>
</tr>
</tbody>
</table>

You have your choice of doctors, hospitals, or clinics that accept Medicare.

### Prescription Drug Plan

<table>
<thead>
<tr>
<th>Medicare Part D</th>
</tr>
</thead>
<tbody>
<tr>
<td>The federal Medicare-approved drug plans provided by private insurance companies. Plans differ in coverage, formularies, &amp; co-pays.</td>
</tr>
<tr>

</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>SeniorCare</th>
</tr>
</thead>
<tbody>

</tr>
<tr>
<td>Cost: $30/yr plus co-pays and possible deductible.</td>
</tr>
</tbody>

### Medigap/Supplement Policy

Traditional Medigap policies are offered by private insurance companies to cover payment of the 20% Medicare does not cover. Optional riders are available to cover additional costs such as deductibles, excess charges, foreign travel emergencies, and additional home health care visits.

Cost: Varies by policy and company. The cost of a basic policy for a 65-yr-old is between $150-$450 (avg approx. $230) per month.

### Part C: Medicare Advantage Plans

Medicare Advantage plans are private companies that provide the same benefits as Medicare Part A and B. Using Medicare monies, private companies make arrangements with hospitals/doctors/clinics to provide care for their clients at reduced rates. Co-pays are assigned to most medical procedures and need to be paid by insured client. Most plans have maximum out of pocket caps on co-pays that range from $3,000 to $6,700/yr.

Cost: Medicare and Plan premiums + Co-pays

#### 3 basic types of Advantage Plans

- **HMO: Health Maintenance Organization**: must use medical providers who are in plan’s network.
- **PPO: Preferred Provider Organization**: pay less if using providers in network, more if out of network.

With the above plans, you must get your prescription coverage either from the plan, SeniorCare, or the Veteran’s Administration.

- **PFFS: Private Fee for Service**: you can use any provider that accepts the plan, and you can get your prescription coverage with a separate Part D plan.

With Advantage plans:

- Doctors/hospitals/clinics MUST accept terms and conditions of plan or you do not have coverage.
- Referrals do not guarantee insurance payment.
- Doctors/hospitals and other providers can terminate their coverage arrangements with each other at any time.
- Often plans do not offer coverage outside regional area, except for emergencies/urgent care.
- Plans can not drop insured clients for any reason other than non-payment of premium, but plans can leave a service area.

Client no longer uses Original Medicare.

### Medicare Cost Plans

Cost plans are offered by some HMOs who agree to provide Medicare benefits. Cost plans will only pay supplemental benefits if you use network providers. If you use a non-network provider, Medicare will still pay its share of covered charges, but you will pay the deductibles and co-pays.

Prescription coverage can either be with the cost plan, a separate Part D plan, or SeniorCare or the Veteran’s Administration.

The Stockbridge-Munsee Meal site is supported through State, Federal and Tribal funding as well as donations received by you, our Elders. State Grants recognized an elder at age sixty (60) years or older and Federal grants allow tribes to specify Native Elder status, which the SM Tribe recognizes at the age of fifty-five (55) years or older.

A donation of $1.00 is asked for delivered meals (your spouse is eligible regardless of age.) A donation of $2.00 is asked for congregate meals. Anyone under the age of fifty-five is required to pay $3.00 per meal.

**We ask that you call at least 24 hours in advance to reserve your meal.**

**No Elder will be turned away, regardless of ability to pay.**

Stockbridge-Munsee Elderly Services is also a satellite office of the Aging & Disability Resource Center of the Wolf River Region, which also includes the counties of Shawano, Menominee and Oconto.
