who we are

Access Ability Wisconsin, Inc. (AAW) is a grassroots 501(c)(3) non-profit organization dedicated to facilitating and providing the means for individuals with mobility challenges to access and enjoy Wisconsin's natural resources.

With family!

our reward is the smiles on everyone's face when the chairs are used.

1. Awareness & Volunteering

AAW encourages awareness and volunteering. AAW's strategic plan is to increase exponentially the community's right to access the great outdoors!

AAW accomplishes its mission by purchasing and making **available at no cost outdoor wheelchairs** with enclosed trailers. AAW's fleet includes event trailers that hold multiple chairs.

2. Our Goals

AAW's goals consist of providing increased friends, as well as opportunities for those with physical disabilities to participate in outdoor activities with family and improving access to our equipment by establishing more host locations.

Our medical mobility equipment is like our shoes; the outdoor wheelchair is like our hiking boots.
