Who we are
Access Ability Wisconsin, Inc. (AAW) is a grassroots 501(c)(3) non-profit organization dedicated to facilitating and providing the means for individuals with mobility challenges to access and enjoy Wisconsin’s natural resources.

Our goal is the smiles on everyone’s face when the chairs are used.

1. Awareness & Volunteering
AAW encourages awareness and volunteering. AAW’s strategic plan is to increase exponentially the community’s right to access the great outdoors!

AAW accomplishes its mission by purchasing and making available at no cost outdoor wheelchairs with enclosed trailers. AAW’s fleet includes event trailers that hold multiple chairs.

2. Our Goals
AAW’s goals consist of providing increased friends, as well as opportunities for those with physical disabilities to participate in outdoor activities with family and improving access to our equipment by establishing more host locations.

Your adventure is waiting!

without AWW I would not be able to enjoy my hobbies or do what I love most!
